YOUTH DEVELOPMENT

NURTURING THE POTENTIAL OF EVERY CHILD & TEEN

WELLNESS CENTER

Our Wellness Center is open to youth 14 and up along with any 10 and older who have completed an orientation and are accompanied by a responsible adult over 18 years of age. Youth using the Wellness Center are expected to observe all wellness center policies at all times.

YOUTH/TEEN FITNESS ORIENTATION

The Y's goal is to create an atmosphere where youth feel safe and confident while using our various fitness areas. We want to instill confidence and understanding in youth as they strive to live an active and healthy life. These orientations are meant to teach kids safety, etiquette, and basic fitness guidelines, giving youth a sense of knowledge and belonging while using the YMCA fitness areas.

Once complete, participants ages 10-11 may use the Cardio equipment with parent/guardian supervision, and ages 12-13 may use Cardio equipment and Strength/Free Weight equipment being able to use the equipment on their own. Contact our Front Desk for more information.

BEFORE & AFTER THE BELL

School-Age Child Care for grades K through 8. Registration opens August 1st for the 2025-26 school year

Children participating in our safe, high-quality enrichment programs are more engaged in school and exhibit better behavior as the YMCA embraces the values of Caring, Honesty, Respect and Responsibility. In BEFORE AND AFTER THE BELL, kids engage in physical, learning, and enrichment activities that encourage them to explore who they are and what they can achieve. Featuring academic support and program activities kids love like arts, games, and sports, your child's development is our goal. In addition, we serve breakfast to all enrolled in our before-care program and a snack in our after-school program.

- Before care, aftercare, or both, we are here from 6:30 a.m. to 5:30 p.m.
- We take care of days off, school weather cancellations, and early dismissals.
- Drop off and pick up at the YMCA; transportation to and from school is provided.
- Your child's safety is our priority. Every team member undergoes thorough background checks, and we provide a 1:12 staff/child ratio.
- We help families through the process of obtaining financial assistance with program fees.

WHAT'S UNIQUE ABOUT A Y SUMMER?

When school's out, it's time to relax, decompress, and have fun with friends. Yet taking a break from school does not mean kid's development is on vacation. Summertime at the Y focuses on the three key drivers of impact that inspire healthy youth development journeys: achievement, relationships and belonging.

EARLY CHILDHOOD EDUCATION

Year-Round Full Day Care for ages 6 weeks through 5 years

YMCA Early Childcare programs strengthen families and boost youth development by offering infants, toddlers, preschoolers, and their families early learning readiness experiences and comprehensive child development programs. Our childcare program addresses the development of young children by supporting early literacy, brain development, and healthy habit development. These early learning experiences at the Y lay the foundation for future ongoing achievement and success. We strive to provide a safe, nurturing center and a developmentally appropriate curriculum in a child-centered environment of warmth, friendliness, and freedom.

Your child will have opportunities for exploring, experimenting and questioning, encouraging curiosity, creativity, and expression. We provide opportunities to develop gross and fine motor skills, self-confidence, and social skills. Children will learn about the world around them in our State-licensed program. With a swimming pool and gymnasium at our disposal, ours is the only center in the area that offers weekly swimming activities for preschoolers. With all these benefits, it's easy to see why the YMCA program is the first choice of area families. All children enrolled in our childcare program will be provided breakfast, lunch, and snacks daily.

What is EGYM?

EGYM is a smart strength circuit that provides a customized, full-body strength training workout in just 20 minutes. It takes the guesswork out of strength training and gives member a fun, easy-to-use, motivating workout option that is customized to a member's personal goals.

EGYM equipment makes strength training work for everyone with automatic equipment set up that adjusts to the member, provides a goal-specific training plan, delivers a game-like experience that guides the member through their workout, and offers online results analysis through the EGYM app.

How does EGYM work?

EGYM is a system of equipment that guides the member rep-by-rep through workouts.

During the member's onboarding session, they receive a smart wristband that automatically syncs with a mobile app. Members enter the circuit at the starting machine and follow a pre-defined order.

When the member taps their wristband on the EGYM equipment, the machine will adjust to their personalized settings and provide a guided, game-like workout. The member's training plan will adjust based on their progress.

How does a member get started?

Members can get started with their free strength training experience simply by signing up at our front desk. Our trained Wellness Staff will then onboard members on each of the six EGYM strength machines.

SOCIAL RESPONSIBILITY

GIVING BACK & PROVIDING SUPPORT TO OUR NEIGHBORS

FRESH EXPRESS FOOD DISTRIBUTION

At the Y, we believe we cannot have a strong community if food insecurity exists. The Berwick Area YMCA is committed to ENDING hunger in our community. Through our partnership with the Central PA Food Bank, we offer Fresh Express.

This year-round program operates from 2:00 p.m. until 4:00 p.m. on the second and fourth Monday of each month at the Good Shepherd Lutheran Church. The program is free to our neighbors and distributes over 15 tons of fresh fruits, vegetables, and dairy products each month.

The program provides economic support to families in need for various reasons. Food insecurity exists in every community and is not always about poverty. If you are in need of food, we encourage you to come to the Y on the second and fourth Monday of each month. Distribution is done using a drive-thru format. Enter via Sixteenth St, then turn right into the church parking lot and proceed around the back of the church. Volunteers will place the food boxes in your vehicle.

COMMUNITY CPR AND FIRST AID

Our certified American Red Cross instructors can train you to recognize, react and use life-saving skills in response to sudden illness or injuries. Each class includes adult and pediatric CPR/AED and first aid certification.

We also train groups at your location.

Saturday, June 7th 8 a.m.-11:45 a.m.
